Dräger Announces Partnership with L. N. Curtis & sons to Distribute Emergency Responder Equipment

Pittsburgh, PA – Draeger Safety Inc. announced today that L. N. Curtis & sons will be a new distributor of Dräger emergency responder equipment in thirteen western states in the United States.

As a non-exclusive primary distributor, L. N. Curtis & sons will handle sales, delivery and service for all Dräger products sold to state and local municipal fire departments and law enforcement responders, and to U.S. Federal Forest Services in the Western United States. L. N. Curtis & sons has sales, distribution and services centers located in Oakland, California; Salt Lake City, Utah; Seattle, Washington; Los Angeles, California; and Phoenix, Arizona.

Formed in 1929, L. N. Curtis & sons has a long history and an outstanding reputation as a distributor of emergency responder and firefighting equipment. “Known for their professional people and excellent customer service, L. N. Curtis is a distinguished leader in its field,” said Scott Miller, Western Division Sales Manager, Draeger Safety Inc. “Priding ourselves on the highest quality products and service, this distributorship provides important benefits for our customers and will offer significant opportunities for both companies.”

Dräger offers a wide range of proven and innovative products for fire and emergency services with a focus on personal safety and hazard management.

Dräger. Technology for Life®

Dräger is an international leader in the fields of medical and safety technology. Dräger products protect, support and save lives.
